This includes an indoor swimming pool, an integral double garage, a detached double garage and a range of outbuildings which may benefit from planning gain for a variety of uses subject to obtaining the necessary consents.

The property sits within private grounds on the fringe of Kirk Smeaton, a small village in the heart of the Went Valley straddling the River Went. There are shopping facilities in nearby Ackworth (3.5 miles) which also boasts the highly acclaimed independent day and boarding school. Kirk Smeaton, despite its semi rural setting, is conveniently located with easy access onto the A1, M62 and M18 motorways providing ready commuting to the commercial centres of Leeds, York, Sheffield and Doncaster.

The accommodation briefly includes an entrance hall which opens into the principal reception room of excellent proportions, open to a galleried landing and enjoying views over the nature reserve. It then continues through into the family dining kitchen with a comprehensive range of quality units, integrated appliances and central island with granite preparation surface. Also at ground floor level is a guest cloakroom, fitted home office, a guest bedroom with en suite shower room and a rear entrance hall.

The leisure suite comprises a heated swimming pool with automatic cover, hot tub, sauna two shower rooms and a washroom with WC.

**AN EXCEPTIONAL INDIVIDUAL DETACHED FAMILY HOME WITH INDOOR SWIMMING POOL, GARAGING FOR 4 CARS, PRIVATE FORMAL GARDENS AND ADJOINING PADDOCKS AND WOODLAND IN ALL OF OVER 12 ACRES INCLUDING A NATURE RESERVE BOUNDED BY THE RIVER WENT ON THE FRINGE OF KIRK SMEATON VILLAGE.**

At lower ground floor level is a spacious family/games room, bedroom with adjoining bathroom, store room and plant room for the pool.

The first floor is approached from a galleried landing with gymnasium area and utility room. The principal bedroom benefits from a walk in wardrobe, fitted wardrobes, a luxury en suite bath/shower room, a bay and a balcony overlooking the nature reserve. There are three further bedrooms, two with en suites and bay, and additional separate bathroom.

The second floor could form a self contained apartment if required comprising a bedroom with adjacent shower room, second bedroom/sitting room and ample eaves storage areas.

Outside, the property is approached through electric gates and a tarmac drive which encompasses the house providing access to the integral double garage and separate detached double garage at the rear of the house which contains the Biomass heating system.

Beyond the garage is a large greenhouse and a range of outbuildings/former stables together with an open barn. These have a significant footprint and could provide an opportunity to create ancillary accommodation or home offices if required, subject to planning approval. They could also be of use to those with equestrian interests.
